

On June 7, 2012 the MHDO Board formally adopted the following goal:

To be a data provider to our clients and the public that is:

- **Responsive and timely:** clearly communicating to our clients what data are available and managing data release to published timeframes.
- **Accurate:** ensure consistency and conformity of claims submissions
- **Accessible:** providing self-service applications where possible and removing barriers to data access.
- **Streamlined:** building efficient processes for data gathering and release.
- **Secure:** protecting the confidentiality of personal health data – electronic threats change and systems must adapt to meet these challenges.
