RE: Technical changes to the proposed rule that will repeal and replace
Chapter 120

DATE: December 29, 2014

For the record please find attached a redlined version of the proposed rule that will repeal and replace rule chapter 120. The revisions contained in the redline copy are the technical corrections that I summarized for the MHDO Board of Directors at the December 18th Board meeting.

Please let me know if you have any questions.
